- **You may** store **one personal backup** of the Content for safekeeping (e.g., in your private cloud/device).
- **You may** share **photos or screen recordings of your own device** displaying the wallpaper on your **personal** social accounts, provided the Content file itself is **not** distributed and no commercial/sponsored messaging is attached.
- **You may** keep the Content for **private, non-public** viewing (e.g., meditation screensaver on your home TV or personal computer).
